Auditorium Debate / High Level Panel Submission form

edd European
Development
Days

*International
Cooperation and
Development*

Auditorium sessions are highly visible segments of the programme, they gather high-profile policy-makers and speakers for thought-provoking debates on EDD topics.

Debates must be lively and interactive and built upon overarching opinions and conflicting perspectives, such as Oxford-style debates. The show-and-tell approach of presentation panels will be discouraged amongst session applicants. To ensure debates lead to an outcome, panellists should agree on three to five closing findings or recommendations to orient the discussions effectively. As in the previous edition, moderators will be in charge of briefing panellists and introducing them to one another in advance.

Thank you for your interest in organising a High-Level Panel / Auditorium session at the European Development Days 2019 and welcome to the online submission portal. To start your application, you must agree with the following terms and conditions.

Evaluation criteria

Content Approach **40 %**

Inclusiveness **30 %**

Interactivity **15 %**

Communication **15 %**

Responsibilities:

- ✔ **Leading organisation:** By submitting a High Level Panel / Auditorium session form, you become the sole responsible for this session. You will be the sole person receiving the e-mail informing of the EDD 2019 Selection Committee's final decision. If selected, the leading organisation will become the sole point of contact between the EDD 2019 Team and the organisers for your High Level Panel / Auditorium session. Please note that organisations cannot submit more than three forms as leading organisation.
- ✔ **Moderator and speakers:** Your proposed speakers and moderators will be taken into consideration during the selection process, as part of the evaluation criteria 'Content'. The level of the intended speakers and moderators must be determined according to the type of session in which they will intervene. The EDD Selection Committee will monitor the confirmations of speakers for all sessions during the preparatory phase to ensure the level is respected.
- ✔ **Communication:** To make sessions successful, session organisers are required to organise communication activities to attract a wide range of audience. Selected sessions are strongly invited to provide a press release about their session and the panellists involved and share it among their communication channels. Selected Session Organisers are also invited to provide infographics to illustrate key facts and figures.
- ✔ **Carbon offset:** When confirming their session, session organisers are directly responsible for their carbon compensation. A certificate has to be purchased and provided by the session organiser to the EDD contractor for a project of their choice (according to the Golden Standards) or for one of the four suggested projects mentioned on the EDD website.
- ✔ **Inclusiveness:** Creating an inclusive forum with a wide range of diverse actors, especially regarding gender, youth and geographical balance, is a key value for EDD 2019. Your session must take this balance into consideration.
